TEJAS International Journal The Engineering Journal of Application & Scopes

The Engineering Journal of Application and Scope (TEJAS) is a multi disciplinary journal published periodically bi-annually in the month of July and December by College of Engineering Roorkee (COER), Uttarakhand, India. The journal has online ISSN No. 2456-0472 and indexed in J-Gate & Google Scholar. Unpublished research articles, review articles, case study & reports and technical notes are invited for the upcoming issue which focuses on emerging aspects of Computer Science and Engineering such as Machine Learning, Computer Vision, Deep Learning, Real Time Image and Video processing, Multimedia system, Blockchain Technology, Big Data, Renewable Energy, Green Buildings, Robotics, Control and other related areas.

Volume and Number	Publication	Deadline
Vol. 5 No 2	25 th July 2021	20 th July 2021

DEADLINES

Paper Submission Opening Date:	15 th April 2020
Paper Submission Closing Date:	25 th June 2021
Notification of Decision:	10 th July 2021
Camera Ready Copy:	20 th July 2021

PAPER SUBMISSION

Authors are advised to submit papers 6 page full paper in standard IEEE format for review.

Guidelines for submission:

- The manuscript submitted to TEJAS must never be published elsewhere.
- The language of the submitted manuscript should be English.
- The article in Microsoft Word format shall be submitted to : tejas@coer.ac.in

Scope of the upcoming issue

- Embedded System and IoT
- Multimedia System
- Robotics and Aviation
- Landslide Monitoring using Image Processing
- Structural Control
- Renewable Energy
- Green Building
- Application areas in Machine Learning
- Image and Video Processing using Deep Learning
- Human and Machine Interface
- Brain Computer Interface
- Gesture Recognition using Deep Learning
- Massive Video Surveillance using Deep Learning
- Applications of Control/Optimal Control
